Subject: Information Regarding the Termination of Our Partnership with JAGGAER

Dear Sir or Madam,

We would like to inform you that ACPS Automotive will discontinue the use of the JAGGAER supplier management platform as of **September 15, 2026**, and will no longer use the platform in the future.

We would like to take this opportunity to express our sincere gratitude for your support, dedication, and the time you have invested in using and maintaining the system. Your cooperation and the information you provided have been invaluable to us, and we have learned a great deal over the past three years.

Important for you: There is no to do on your side. We will secure the documents and information submitted as part of our collaboration to date. Your efforts and input were by no means an important foundation for our next steps.

If you have any questions regarding the offboarding process, please contact info.epros@acps-automotive.com

The digitization of our processes, as well as efficient and collaborative partnerships with our suppliers, remain of great importance to ACPS Automotive. We are therefore currently evaluating suitable replacement solutions to best support these goals in the future. As soon as we have concrete updates and information regarding the next steps, we will inform you accordingly.

We would like to once again express our sincere thanks for your support and look forward to continuing our successful collaboration with you.

Sincerely,

Geschäftsführung
Michael Weiß
